

From the Desk of the Pastor

Dear Friends,

As you know, Fr. Robert Biron has been with us in his retirement since June 2021 and has served the parish well, especially with his gift of preaching. Unfortunately, the last six or so months have proven to be very challenging for him...navigating around the rectory, balancing his dietary needs and his health issues.

Fr. Biron has been in and out of the hospital as well. While this was not something he had planned or wanted, it is in his best interest and wellbeing to be in a place where his health care will be monitored, and his dietary needs met.

At the present moment, Fr. Biron is recuperating at St. Ann's Nursing Home in Dover and once he is stronger, he will move to the Bishop Peterson Residence in Windham, NH, a residence specifically for priests. Fr. Biron will still have the opportunity to assist and provide priestly service, but at his own pace. If you would like to write him, he can be reached at:

**Warde Health Center
Bishop Peterson Residence, #105
21 Searles Road
Windham, NH 03087**

Obviously, I would have loved to have had the opportunity to thank Fr. Biron publicly and give you the opportunity to see him as well. Perhaps when he is better he can come back for a weekend to celebrate Mass.

Thank you for making Fr. Biron feel so welcome and I am sure he would appreciate it if you keep him in your prayers.

Fr. Gary
